Molotov May Talk About **Big Four Meet**

VIENNA, Austria (A) -- Russia's M. Molotov, flying here for the historic Austrian treaty signing, was expected to tell the Western foreign ministers today how the Kremlin feels about top level Big Western informants felt certain the poker-faced Soviet diplomat would seek a different sort conference than that envisaged by of state that July. The informants said word has trickled out of Moscow that Soviet Premier Nikolai Bulganin: 1. Is ready to accept the principle of the Western call to explore new trails of negotiation in quest of peace. 2. Prefers something more com-prehensive than the West's idea for a three or four day conference between the heads of government, if they are to fulfill adequately the job of charting a course towards 3. Instens to press demands that Red China be represented at such conference. The Western Allies sought to make certain things clear to the Kremlin when they proposed the

hates and jealousies, which breed with Ward's in 1932.

happy lad because he knows his chances of getting dread polio are practically nil. So he grins broadly after getting his first Salk polio vaccine shot at a Madison, Ill., school. The six-year-old first grader covers up the needled spot with one hand and holds his reward for bravery—a lollypop—in the other. Molotov has been attending the Warsaw conference where Russia implement and seven East European Communist states pledged to help each other in peace and war.
